Summary

MCA graduate and Full Stack Developer with strong foundation in Core Java, JDBC, Java SE, Java EE, Spring Boot, React, and SQL. Experienced in building web and console-based applications using MySQL and Oracle. Seeking an entry-level Java Developer or Full Stack Developer role to apply technical skills in real-world projects.

Technical Skills

- **Front-end:** JavaScript, React, Tailwind CSS, Bootstrap, HTML, CSS
- **Back-end:** Core Java, Java SE, Java EE, JDBC, Servlet, Spring boot (Ongoing), Microservices (Ongoing)
- **Database:** Oracle, MySQL
- **Other:** Data Structures and Algorithms, GIT

Projects

Academic Project

Title : ***Emergency Blood Searching System***

- Built a web-based application to search and identify **emergency blood donors** efficiently.
- Implemented donor data management using **MySQL** with backend integration in **PHP**.
- Designed responsive and user-friendly interfaces using **HTML**, **CSS**, and **JavaScript**.
- Improved accessibility to blood donor information during emergency situations through quick search functionality.

Practice Works

Title : ***Odisha Tourism Explorer (Ongoing)***

- Developing a responsive tourism web application showcasing districts of Odisha.
- Displaying district-wise information including famous foods, tourist attractions, cultural heritage, and major cities.
- Implemented interactive and dynamic **UI** components using **JavaScript** and **React**.
- Ensured mobile-friendly and responsive design using **Bootstrap** and modern **CSS** practices.

Title : ***Java SQL Console Application***

- Built a Java console-based **SQL** execution tool using **JDBC** for **MySQL** and **Oracle** databases.
- Designed dynamic query execution with **result-set** processing and meaningful error messages.
- Implemented database-agnostic logic to switch between **MySQL** and **Oracle** with minimal configuration changes.
- Implemented validation and control logic to handle invalid **SQL** queries and prevent runtime failures gracefully.

Education

- MCA from MPC Autonomous College, Baripada, Odisha
- BSc. from Fakir Mohan University, Balasore, Odisha
- +2 from Srinibas H S School, Mangalpur, Odisha
